Paradiddle Combination

Single - Single - Double - Double - Single - Triple

These six paradiddles can be re-arranged in any order.

If you start Right Handed you will end Right Handed.

There are potentially 365 possible combinations
starting with the Right Hand.

Notice that the medium tempo versions
need to be repeated for Four Measure Trading.

If you substitute a Paradiddlediddle for one of the
Double Paradiddles, the pattern will alternate on the repeat
